bounds the
21st.

The Deputy Gov^r. acquaints the Board that the Peons had advised him that Mr. Smith was gon out of the Bounds the 21st and was seen near Pondicherry on horseback, upon which he had order'd 6 Peons to follow him and see him safe to Fort St. George if he be design'd thither.

Petition of
15 Packers
read.

A Petition of 15 Packers was now presented and read complaining that the Warehousekeeper had turn'd them out of the Company's service for the reasons express'd in their Petition which is enter'd after this Consultation.

The Caroor &
Nagore
Longcloth
proving very
good Agreed
to write to
Fort St.
George for
liberty to
take it in.

Augustus Burton, Warehousekeeper, reports that the Merchants have a quantity of Caroor and Nagore Longcloths over and above what they had contracted for, which prove extraordinary good. Agreed that we write to Fort St George for direction whether we shall accept of them.

Vinketty
Puttees
complaint
examined, it
appears that
Andee Chetti
is possessed of
the money.

Upon a further examination of Vinketty Puttees complaint against Andee Chitty and his 3 Brothers for two hundred pagodas that were lent by Poindee Chittee Kistnah and paid by him to the said Andee Chittee, it appears from the report of Eram Rauze and other Black Merchants, who have strictly examin'd the originall Bond written in Mallabar, that the 3 Brothers of Andee Chittee, namely Unomala Chittee, China Tombe Chittee, Arnadray Chittee, have not thereby bound themselves for the payment of this money and that Andee Chittee is possess'd of it being paid into his hands by Poindee Chittee Kistnah, and Eram Rauze &c^a. black Merchants now present declare also the same and that Andee Chittee is accountable for it.

— APRIL 1724 —

It is order'd that the 3 Brothers, namely Unomala Chittee, China Tombe Chittee, Arnadry Chittee be releas'd, and that Andee Chittee alone be accountable for the 200 Pags. that he receiv'd from Poindee Chittee Kistnah.

Andee

the 3
Brothers to

THE HUMBLE PETITION OF 15 PACKERS.

SHEWETH,

That your Worship's Petitioners served the Hon^{ble}. Company at Conimeer when they kept their Factory there, and when they moved to Fort St. David, we came with and have served them ever since, which is about forty four years, now on the 15th of this instant Punniapah gave us notice that we were discharged from the Company's service by Mr. Burton's orders, in Gov^r. Hasting's [*sic*] time when Mr. Berlu was Warehousekeeper he requir'd to attend on him to do what he commanded of us for his own business which we acquainted the Gov^r. of who order'd two Peons to take care that we should do no business but that which belong'd to the Hon^{ble}. Company and when he employ'd any of us in or about his own business he allways satisfied us for the same, which when we went about any of the Company's business to his House he would often do, now Mr. Burton is Warehousekeeper he requires us to carry letters or bills for money of the Hon^{ble}. Company's which we do, but to look after his Pallanqueen or his house we are unwilling to do it, for which reason we judge we are turn'd out of the Hon^{ble}. Company's service, it is well known that two of us always give our attendance from six in the morning till six at night & then till six in the morning the next day, no one is exempt from it only one of the head packers. We humbly beg that Your Worship would be pleas'd to enquire if we have don our Duty and be pleased to take it in your serious consideration and we shall always pray for Your Worship's health & prosperity.

MONDAY
27TH.

A Generall Letter from the Hon^{ble}. President & Council of Fort St. George dated the 21st instant was now read, adviseing us of their haveing sent us ten thousand pagodas by twenty Peons overland, and the Deputy Gov^r. reports that he has receiv'd the money the twenty fifth at night, and return'd the Peons the next day.

Gen^l. letter from Fort St. George read adviseing of 10000 P. being sent overland which is come to hand.

The Deputy Gov^r. acquaints the Board also that he had notice of Mr. Tullies being gon out of the Bounds a Horseback a thursday evening being the 23rd instant after Mr. Smith, and that he had then order'd 20 Peons that were to meet the Peons from Fort St. George to bring Mr. Tullie back hither, but he not being return'd and haveing left some of the Companys Acco^{ts}. locked up in his chamber the Paymaster and Secretary had orders to break open the door to take them out, and have likewise taken an acco^t. of what they found there belonging to Messrs. Smith and Tullie.

Mr. Tullie haveing followed Mr. Smith to Fort St. George the Paymaster & Secretary to break open his rooms to look for the Companys Acco^{ts}.

Simon Holcombe, Paymaster, reports that he has measur'd all the Chinam in the Pitt that was deliver'd him by Mr. Burton and finds no more than 1970 Parra.

1970 Parra of Chinam found in the Pitt.

The Deputy Gov^r. acquaints the Board that Mr. Thomas Launce, Gunner, departing this life the 25th about noon he had order'd his mate George Sanders to take the charge upon him untill we receive further orders from Fort St. George, and Simon Holcombe, Paymaster, also acquaints us that Thomas Launce had left a will appointing his wife and Mother executrixs.

George Sanders to act as Gunner till we hear from Madrass.

The Packers Petition was now taken into consideration and debated, and upon the question wether it be reasonable and just that they shall all be turn'd out of the Companys Service at the will of the Warehousekeeper, it pass'd in the affirmative, the Deputy Gov^r. only objecting against it, being as he conceives contrary to the establish'd rules both here and at Fort St. George, and moreover it does not appear that they have done anything to deserve it, otherways than as Mr. Burton setts forth in his paper now deliver'd us as enter'd after this Consultation.

Packers petition debated, and they are order'd to be dismissed the service.

The Deputy Gov^r. acquaints the Board that Mr. Mansell has been with him to offer his Service to assist the Paymaster since Mr. Tullie is gon and to bring up the Acco^{ts}. that are behindhand, but Mr. Holcombe is not willing to accept of his Service because he is under Mr. Burton and he thinks therefore he cannot so conveniently attend him.

Mr. Mansell offers his service to assist the Paymaster but he will not accept of him.

TO THE WORSP^{LL}. WILLIAM JENNINGS ESQ^R.DEPUTY GOV^R. OF FORT ST. DAVID, &C^A. COUNCIL.WORSP^{LL}. SIR & SIRs,

I am to acquaint your Worship &c^a. that the Packers belonging to the Warehouse left me the 12th instant on my going to Chellumbrum & never came again till the 24th. I suppose it was by my often telling them that I would dispel them the Warehouse for not giving their usual attendance there and disobeying my orders on all Acco^{ts}. which at my coming back I intended to have represented to Your Worship &c^a. their insolencies towards me. I have entertain'd others in their room who are more circumspect and altogether as fitting to do the Companys business they are employd for, and I desire your approbation, for I shall never be able to bear insults from Servants who are immediately plac'd under me without forfeiting the esteem that's requir'd to my station.

I am very much

shavarrow
& his part-
ners who pro-
poses that
3 new
Merch^{ts}. be
joyn'd with
him & his
3 Partners
to make
their number
seven,

The Deputy Gov^r. acquaints the Board that he has observ'd Sadashavarrow and his 3 Partners are often at variance amongst themselves in relation to the affairs of their Contracts, that the Companys business is thereby very much impeded, to prevent which the Deputy has talk'd with Sadashavarrow about the matter who proposes that three eminent Merchants be joyn'd with him & his three Partners to make up their number Seven as in Tombe Chittees Contract.

— AUGUST 1724 —

The Deputy Gov^r. declares he is of opinion there will be a better agreement amongst them if the Board admits of three more Merchants to be sharers in Sadashavarrows Contract and he promises to have a carefull eye over them, and use his endeavours to prevent any little disputes that may arise to the prejudice of the Investments, the opinion of the Board hereupon being ask'd whither to admit three more Merchants into Sadashavarrows Contract or not, it was unanimously agreed that it is much to the Companys Interest to joyn the three more Merchants to Sadashavarrow and his three Partners to make their number the same as in Tombe Chittees Contract, accordingly Sadashavarrow and his partners were call'd in and acquainted therewith when they were ask'd if they were all contented to have three more Merchants joyn'd with them in their Contract, or had any objections thereto, upon which they desir'd a little time to consider of the matter and withdrew for about half an hour, after which they return'd and acquainted the Board they were all entirely well satisfi'd to have three more Merchants joyn'd with them in the Contract.

Order'd therefore that the following three Merchants be made joynt Stock Merchants & Partners in Sadashavarrows Contract, vizt. Govindaram Chittee, China Chittee, Mutapah Chittee, that they sign the Contract, be Tasheriff'd & Seven Guns fired for their Creditt and encouragement to bring in good Cloth.

DEPUTY GOV^R. & C^A. COUNCIL OF FORT ST. DAVID.

WORSP^{LL}. SIR & SIRS,

I look upon myself oblig'd, for vindication of my own Character, to acquaint that notwithstanding the frequent perswasions and at other times threats the Merchants have rec^d. from the Deputy Gov^r. in Consultation and at the Sorting Godown, & in spite of all the measures the Deputy Gov^r. and myself have been able to make use of, the Merchants grow more backwards in bringing goods into the Bounds to be measur'd wash'd, sorted, and are using all the arts they can to delay the Investment, the little quantity of goods they have brought in are very bad as your Worship &c^a. may see by a List of goods measur'd, & a List of goods sorted, in which the number of goods turn'd out & small quantitys taken in will prove the intollerable badness of their Cloth, and what little business we can do towards the

— SEPTEMBER 1724 —

dispatch of the January Ships if some methods or other are not found to oblige the Merchants to bring in better goods and greater quantitys.

I apprehend that the Merchants by not paying Custom for their turn'd out Cloth till it's Ship'd off, may at times have an opportunity of defrauding the Hon^{ble}. Company of good part of their customs, which I think may be prevented by my haveing liberty to charge the Customs when the turn'd out cloth is deliver'd out of the Warehouse, & if afterwards the Merchants sell their turn'd out cloth or ship it off themselves, that then the Sea Customer do charge the Sea Custom thereon.

All which I leave to Your Worship &c^a. consideration and am

A Generall Letter from the Hon^{ble}. President & Council of Fort St. George dated the 16th instant read, ordering us to keep strictly up to our musters and advise that they have receiv'd our Bales sent up lately by Sloops Ramah & Francis, which they have open'd & examin'd and complain very much of the Sallampores Ordinary.

Deputy Gov^r.

The Deputy Gov^r. thereupon reminded the sorters of the loud complaints made by our Masters this year from England of the badness of the Fort St. David Goods and desir'd them to take all imaginable care in their Sorting, for that he was very sure the Hon^{ble}. Company would not sit down contented with any more bad cloth, and therefore their own interest & credit requir'd a very carefull eye on the cloth when they are sorting.

Sorters
promise to be
very carefull
in sorting.

The Sorters thereupon promise the Deputy Gov^r. to be very carefull in keeping up to the Musters, and declare the Merchants bring in such intollerable cloth that they cannot take in an eighth part thereof to put to No. 2.

Mr. Richards Higginson Warehousekeeper acquaints the Board that he cannot get the Merchants to bring cloth to be measur'd, so that the Washers stand idle and twenty five of them have left the Bounds for want of business that he thereupon complain'd to the Deputy Gov^r. who threatned the Merchants he would examine their Godowns and bring away what brown cloth they had therein to be measur'd if they would not do it themselves, but they minded the threats as nothing and delay'd bringing in cloth to be measur'd, so that we run the risque of loseing our Washers if business is not forthwith found for them, whereupon the Board enter'd into a debate on the matter, and resolv'd in order to find employment for our Washers that Messrs. Higginson, Burton, Brooke and Mansell do go to Cuddalore early to morrow morning & examine what brown cloth is in the Merchants Godowns.

Key ask'd him the said Jens Pitterson to go to his room to drink a dram with him to which the said Pitterson reply'd that he was not used to drink and could not bear liquor and therefore desir'd to be excus'd, but after many perswasions the said Jens Pitterson declares he went to Ensign Edward Keys room and there drank with the Ensign 2 drams, after which the said Jens Pitterson says he retir'd into his own room, & that Ensign Edward Key about half an hour after follow'd him to his own room, when the Ensign told him the said Jens Pitterson that he wanted a companion to go with him to Bengall for that his Pay was agoing to be reduc'd and he should be oblig'd to ask for his discharge, to which Jens Pitterson says he reply'd that he had no occasion to leave the place while he was maintain'd, but that if he was discharg'd he must seek his livelyhood where he could, upon which Ensign Edward Key shook the said Jens Pitterson by the hand, & the [sic] to him Comrade you must go along with me, and then they fell to drinking in Pitterson's room, to such an excess that the said Jens Pitterson declares he knows not what he did afterwards, only that some of the Guards told him this morning that the Ensign had beat him.

A little while after he heard the Gunner Jans Petterson without cutting at the gate and calling out in the Portuguez language give me my woman, immediately upon which the Serj^t. ask'd the Ensign why the Gunner made so much noise, who answer'd that he was little in liquor and so he went in the Square and told the Serjeant that the Gunner had taken him by the Hair of his head but he had given him a good knock or two for his impudence. About the same time the said Serj^t. Henry Richardson heard a Cutting and Slashing at the Ensign Edward Keys window and some sparks of fire by striking against the barrs when he desired the Ensign to give him leave to open the door of the Square and take a Guard with him and Confine the Gunner till he's sober in order to prevent his making any further disturbance, the Ensign answer'd let him alone and let him rave as long as he pleases then he will lay down and sleep, presently after the said Jans Peterson cutt again at the Ensigns window and Call'd him at the same time Son of a whore and Cuckold, the said Ensign answer'd Brother how do you chaw and spell those words and then he went into his own room and open'd the lettice window when Serj^t. Hunter follow'd him and took the said Ensign Edward Key by the hand & desir'd him to come away from the window for he did not know what bloody minded people the Deans [*sic*] were. The Ensign put away Serj^t. Hunter with his hand and ask'd him whether he or himself was Commander, then the Centinell above call'd out in Portugueze language that the Gunner was come with his arms, which words were hardly out of the Centry's mouth but the said Gunner Jans Petterson fired his and kill'd the said Ensign Edward Key. The Gunner had another loaden piece ready by him and a hanger, Serj^t. The said Letter acquaints us with the Heathcotes & Aislabie's arrivall from Bengall, that the Aislabie will want 500 Bales to compleat her tonnage, and shall be sent down hither if we can be sure of the quantity to be put aboard by the 20th of January.

They acquaint us of the Heathcotes & Aislabies arrivall & that the latter will want 500 Bales if we can get the quantity.

Upon which our Merchants were all call'd in and acquainted with the demand of cloth for the Aislabie's dispatch, they were strictly told they must furnish us with a sufficient number of good Bales accordingly, otherwise they would for certain be oblig'd to pay the penalty on their Contracts, and be made answerable to our Hon^{ble}. Masters for all damages by their non performance. The Merchants thereupon promis'd to do their utmost towards the dispatch of the Aislabie, & our Warehousekeeper haveing laid before us an Acco^t. of Cloth at the Washers and Beaters, we find thereby that if one third part thereof comes up to our Musters, we may depend on putting aboard the Aislabie 400 Bales by the time appointed, and on a disappointment we still may be able to fill the Aislabie if the Hon^{ble}. President & Council of Madrass will permitt of sorting the Chop'd Nagoor & Woriarpollam Cloth to Ordinary.

The Merchants promise to do their utmost towards the dispatch of the Aislabie, & 400 Bales will be ready by the time appointed.

Arrack
Farmers
confined.

The Deputy Gov^r. acquaints the Board that he has often times demanded of the Arrack Farmers their rent, that they have so often shuffled with him and put off the payment that he has been oblig'd to confine them close prisoners to the Choultry.

— DECEMBER 1724 —

The said Arrack Farmers were call'd before the Board, and their Rent demanded, to which they reply'd that while they lay in prison they could gett no credit, but if we would release them they would gather in their debts and borrow money to pay the Hon^{ble}. Company what is due from them.

They beg to be released that they may gather in their debts.

The Board thereupon haveing fully debated this affair came to the following resolutions :

Debate thereupon.

That these Arrack Farmers have usually been very bad paymasters, that they have often mixed the Arrack, that they declar'd by their Petitions immediately after the reduction of our Millitary they could not hold their Cowle any longer without an abatement, for all which reasons it is

Arrack Farmers Cowle to be demanded from them & the Farm put up to outery.

Agreed that their Cowle be demanded from them and the Farm put up to Outery the 2d of next month, and that notice thereof be forthwith given by fixing up papers at all our publick places.

Arrack Farmers Effects to be sold.

Agreed also for more certainty of recovering the Arrack Farmers debt to our Hon^{ble}. Masters notice be given at all our public places that if the said Farmers do not pay their debt before the 4th of January next their Effects will be sold at Outery, the said paper forbids all persons from concealing the Arrack Farmers Effects or buying anything of them without the Deputy Gov^{rs}. consent.

Arrack Farmers released suffered to go about with Peons to collect the money due to them.

Agreed that as we have secur'd all the Arrack Farmers Effects that we can hear of, they may be released from their imprisonment and suffer'd to go about to collect the money due to them under charge of our Peons, that the Companys Shroff go with them from time to time to receive such money which the Arrack Farmers recover from their Debtors for Accot. of our Hon^{ble}. Masters.

The Bound Renters with much perswasion are gott to continue the rent 2½ years longer.

The Deputy Gov^r. likewise acquaints the Board that he has in pursuance to an order from Fort St. George told the Bound Renters they are for the future to collect no Juncan Duty, to which they reply'd they should loose so considerably thereby, that they could not hold the rent any longer, but with much perswasions he has gott them to continue the rent two years and a half longer, on condition we allow them to collect the following Juncan Duty :

On Coconut & Jaggery Balls sent out of our Bounds 67½ cash on two small oxloads.

On Beetlenut sent out of our Bounds 2. f. 9. ca. on two small ox loads.

On Cloth passing thro' our Bounds for Pondry. & Porto Novo & other places 3 f. 30. c. per ox load.

Paintings to Porto Novo every bale 2 fanams.

Indigo to Porto Novo four fanams per ox load.

Turmerick pepper root, and all other goods sent inland to pay 1 fanam 40 cash for two ox loads great or small.

Cloth brought in by the Companys Merchants 40 cash for every ox load.

Which being thoroughly debated the Board are of opinion that the said Dutys may be allow'd them as they do not amount to above one per cent on all goods one with another, that it bears altogether on Merchants that can afford it, for that all the heavy dutys on the poor Inhabitants & importers to this place are struck off, that the Renters could not afford to keep their Cowle on the Conditions desir'd by themselves if it was not for the Crop on the ground being near ready to be cut, and that if they should let new Renters take the Bounds they would be very considerable sufferers thereby, as the new Renters would have the present Crop which has been sow'd by the old Renters at a great expence in expectation no duty would be taken from them till the expiration of their Cowle, which is but half out.

The Juncan to be allowed the Bound Renters about one per cent on all goods.

— DECEMBER 1724 —

Not to fix the
Farm till we
hear from
Fort St.
George.

Resolv'd that we do not fix this Farm on the Renters terms till we have first
advis'd the Hon^{ble}. President & Council thereof, and have their approbation.

— DECEMBER 1724 —

TO THE WORSP^{LL}. NATH^{LL}. TURNER ESQ^R.DEPUTY GOV^R. & COUNCIL OF FORT ST. DAVID.WORSP^{LL}. SIR & SIRs,

In the report rec^d. from the Hon^{ble}. President & Council of Madrass in their Gen^{ll}. of the 4th instant relateing to our Customs, their Committee are of opinion it would be for the Comp^{as}. interest not to allow of the Cornmeeters Duty, from the smallness of that Revenue to the Hon^{ble}. Comp^y. & from what is mention'd thereof in the 47 Paragraph of their Letter per the Heathcote.

I beg leave before this Duty be taken off to represent to Your Worsp^s. &ca. that the Hon^{ble}. Company in the 4 Paragraph of their Letter of the 26th Jan^y. 1697-8 per ship Fame lamenting the loss of so many Weavers, Washers, Painters, &ca. Handicrafts in the Famine time say, to prevent which hereafter in case of a death and in common charity to such usefull Poor, it is that we come to this our present Resolution, and that the Poor may have no future reason of complaint in weight or measure, we would have you appoint one or as many as shall be needful of sworn Officers, in the nature of our Cornmeeters, and keepers of the Kings Beams, to look after the true measuring and weighing of all commoditys, you settling a fitting Duty for his and their pains, one moiety of which to be paid into our Cash, as an annuall rent to us.

Pursuant to which Mr. Hatsell the then Deputy Gov^r. settled this Duty as appears by a Consultation of the 5th Dec^r. 1698, which for exactness sake I take the liberty of transcribing as follows :

And it being order'd in the aforesaid paragraph that we should appoint some sworn Officers to look after the true measuring & weighing of all commoditys in the nature of Cornmeeters, and that we should settle a Duty for his or their pains one moiety of which to be paid into the Right Hon^{ble}. Comp^{ys}. Cash as an annual rent to them the same having been duly considered of, we have appointed Mr. John Bulteel to officiate in Cuddalore and the villages on that side of the river Geddulum except Treepopilore, and Mr. Nicholas for Tevenapatam and the remaining villages & its order'd that each of them do take the oath that is copy'd next after this Consultation, & that the following Dutys be collected by them on the aforementioned Acco^t. Viz^t.

That all Rice, Paddy, &ca. Grain do pay $\frac{1}{2}$ per cent and that all Goods which are weigh'd $\frac{1}{4}$ per cent, the aforesaid Duty of measuring and weighing is to be paid by the importers & the value to be taken from the Sea & Land Customers for measuring & weighing Goods, but such Paddy or other measuring Grain as come by Land and not valued by the Land Customers is to be valued by the Grain Meeters.

Note that Messrs. Bulteel & Nicholas are not to take any Duty for Goods that hath paid once in the Bounds or at Madrass.

In June following it was thought necessary to put the management of this Office under the care of two persons next in station to the Deputy Gov^r., that of Cuddalore under Mr. Hayns, the then Second and Accompt^t., & that of Tevenapatam under Mr. Ingram, the third & Warehousekeeper, & this Duty continued to be so collected by the Accompt^t. & Warehousekeeper successively, till those two employs became invested in the Second only, at which time the Cornmeeters Duty at Cuddalore & Tevenapatam was also placed under care of the Second only.

Before this Duty was establish'd there us'd to be a person appointed as clark of the Market at 2 pag^s. per month whose province it was to inspect & take care of all weights & measures used within the Bounds, but on erecting this Office of Cornmeeter, that of clark of the Market was laid aside as being useless, and only a Charge to the Company, the Cornmeeter acting in most or all respects as such.

— DECEMBER 1724 —

I likewise beg leave to represent the advantage this Duty is to the Hon^{ble}. Comp^y. if justly managed, over & above the small Revenue it brings in, by being a Check on the Sea & Land Customers Conicoply, that due entrys be made of the Specie, quantity and value of all Goods Imported by Sea or Land on which this Duty is collected being all Goods excepting Cloth, Coco Nuts, Beetle Nut, Jaggary Balls & Palmeraes, Rupees, Timber & Plank.

As this Duty was establish'd by the Comp^{as}. immediate orders, to the end that the Poor should not be oppress'd or defrauded by false weights and measures, on which their food and Sustenance greatly depends, and for the encouragement of Weavers, Painters, Dyers, Washers and all other handicrafts to reside and inhabit in the Comp^{as}. Bounds, which must of Consequence contribute to the increase of the Hon^{ble}. Comp^{as}. Revenues in generall and the strength of this Settlement, it is humbly hoped this Duty will be taken into your Worship & c^{as}. Consideration as tending to such good ends. I am with all Respect

WORSPL^L. SIE & C^A.

Your most Obed^t. & Humble Servant

RICH^{DS}. HIGGINSON.
